- 6 – 12 months: 50% off full Fellowship

Pro-rata rates

RANZCO encourages Fellows to let us know if their location, work or registration status changes as soon as practicable. We are unable to retroactively apply pro-rata rates or apply pro-rata rates for periods of less than four months.

Associates

RANZCO is pleased to continue working with Orthoptics Australia (OA) and the New Zealand Orthoptic Society Inc. (NZOSI) to offer a special annual rate for orthoptists who are also OA or NZOSI members. Please quote your OA or NZOSI membership number to RANZCO staff to access this rate.

ORIA

RANZCO collects membership fees on behalf of the ORIA. All RANZCO Fellows are members of the ORIA and the annual subscription fee of \$140 is included in the RANZCO subscription fee.

CPD Customers

Starting 31 January 2018, the CPD customer offering and subscription fee will increase to include:

- Access to RANZCO's CPD Program
- Attendance at the Annual RANZCO Congress
- Inclusion on the Clinical and Experimental Ophthalmology Journal subscription

* NZ Branch collects its own fees from NZ Fellows

[^] CPD customers' fees are determined annually, in line with the CPD reporting period

** Ongoing refers to holding continuous membership for two or more years
