
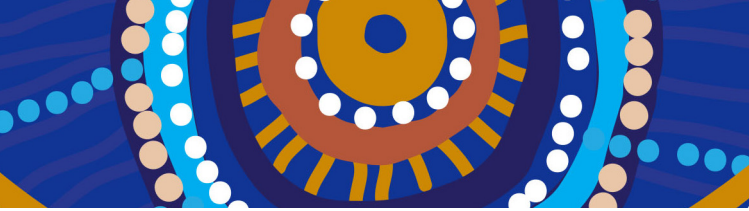
The Royal Australian and New Zealand College of Ophthalmologists **(RANZCO)** is the medical college responsible for the training, examination and professional development of ophthalmologists in Australia and New Zealand. We seek to improve eye health across Australia and New Zealand, as well as further afield, by providing best quality education, training and continuing professional development; by promoting eye health care and the work of ophthalmologists; and through collaboration with others involved in the delivery of eye health care.

RANZCO

The Royal Australian and New Zealand College of Ophthalmologists

THE LEADERS IN COLLABORATIVE EYE CARE



Our Purpose

To provide lifelong education and support for members in their dedication to ophthalmology and eye health.

Our Vision

Excellence and equity in eye care.

Our Mission

To lead eye care by setting and improving standards, providing lifelong education, promoting research and innovation and advocating on behalf of patients, their communities and our membership.

Our Goals

Education - to be the preeminent provider of post-graduate eye health programs in our region.

Members - to create an invaluable collegial Member experience through engagement and to develop Members who are ambassadors for RANZCO and the profession.

Advocacy - to advocate for ophthalmology, the profession and world's best eye health for the community.

A Sustainable Future - to ensure the sustainability of RANZCO and ophthalmology, and eye health in Australia and New Zealand.

Delivery - to deliver outstanding organisational outcomes through continuous improvement of people and systems.

As the leaders in collaborative eye care, we are committed to:

- Working with others involved in the delivery of eye health care nationally and internationally, including working with government and policy development; and
- Providing best quality education, training and continuing professional development.
